## MEMBERSHIP OPPORTUNITIES

---

## INSTITUTIONAL MEMBER BENEFITS \$2,500

For Plastics and Reconstructive Surgery divisions and departments.

### Networking Benefits

- Spearhead research collaboration
- Access to networking opportunities between their departments, Garnes Society members, and fellow professionals of other institutions.
- Two (2) tickets to the ALGS Annual Plastic Surgery: The Meeting event

### Access Benefits

- ALGS will provide associate level memberships to all trainees in the institution's department/division who are not already members.

### Branding Benefits

- Departments/Divisions may set up and manage a dedicated forum section to elicit reviews of the residency program; as well, allow affiliate members to engage and directly ask questions about the institution and residency/research programs.

### Marketing Benefits

- Public-facing acknowledgement as an ALGS institutional member in Marketing campaigns (social media, newsletter, co-branded cross-promotions)
- Subscription to the Garnes Society newsletter

### Public Relations Benefits

- ALGS will provide content to support any PR efforts by institutional members
